Moving and storing home contents for 5 months From the day that Dan came and assessed our property for a quote, we felt very confident about using Dibbens to help us move and store our contents. Insurance etc was fully explained and that there would be no hidden surprise charges. Ashleigh was so helpful with organising the removal date with us, as Covid has made things so difficult to plan. Strong packing boxes supplied and tape. Keith, Jye and their colleague, extremely friendly and helpful. After 5 months of storage, everything was all in great condition. Highly recommend, very professional and helpful! Thank you. Customer in ', 17 March 2021	10	10	10	10	10
